

## What Does Lake Gaston Have To Offer?

**Fishing** is fabulous all year long and Lake Gaston hosts several fishing tournaments each year. The water abounds with striped bass, largemouth bass, crappie, channel catfish, bream and many other varieties. Both Virginia and North Carolina Wildlife Commissions have stocked the lake.

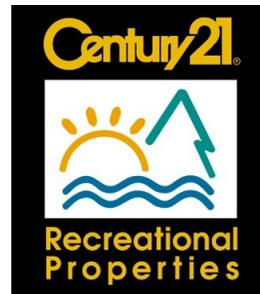

**Boating** is a never-ending delight on this beautiful lake. There are no horse-power restrictions on the lake and it is easily accessed using paved launching ramps. Complete marine service is available on the lake and in surrounding areas. Lake Gaston is often called the "Best Lake on the East Coast".

**Golf** enthusiasts will enjoy several beautiful and challenging golf courses and attractive clubhouses within easy reach. Some have driving ranges and practice putting greens for warming up. For the dedicated golfer, or for those who simply enjoy the exquisite scenery and peaceful surroundings, homes are available abutting the rolling fairways.

**Hunters** will find the many forest adjoining Lake Gaston abundant with all types of game. This is a hunter's paradise for deer, duck, geese, turkey, dove, quail, rabbit and squirrel. The season generally lasts from October into February. Crisp clean air and gorgeous scenery all contribute to an unforgettable hunting experience.
